

A Different Kind of Company

We make what once was impossible, possible. Offering credit responsibly to those who others don't serve takes experience and a different way of looking at things. Our seasoned management team has on average over 15 years of experience in technology and financial services. We are committed to translating our experience and investment in technology and advanced analytics into savings for our customers. And the results show it.

Our Growth

2.3M

customers served

\$7.4B

in loan originations

Making a Difference

\$4B

saved by customers over payday loans
